

All-In-One Cyber Protection & Insurance

BOXX Insurance specializes in cyber insurance and protection for individuals and families.

Our digitally connected life has made us vulnerable.

Personal cybercrime is real. This is not a surprise when you consider the increase in normal people running their lives from laptops and smartphones, shopping and banking online, and streaming media for hours a day. Cyber criminals are hacking devices and spamming us with emails that lead to cybercrime, disrupting our lives and causing financial harm.

BOXX Insurance offers comprehensive and affordable cyber insurance and cyber risk services to help families and individuals navigate today's cyber landscape with confidence and security. We provide financial protection and assistance in case of a cyber incident.

¹ Zogby Analytics survey, 2020.

Helping you respond and recover when a cyber incident happens.

Cyberboxx[®] Home provides cyber risk services to help avoid or minimize the likelihood of cyber attacks. Not all cyber attacks can be prevented, but we have the tools and experience to help you recover quickly should you become a victim of a cybercrime.

Coverages and Services included in all plans:

Online Fraud: Pays for losses from phishing schemes, illegal bank transfers, cryptocurrency theft etc.

Cyber Attack: Pays for expenses to remove malware and restore software on computers, tablets, Wi-Fi routers, etc.

Identity Recovery: Reimburses expenses from identity theft and provides identity restoration services.

Home Title Recovery Expenses: Pays expenses resulting from an identity theft, including lawyer and court filing fees for the recovery of the title.

Cryptojacking: Pays for the utility costs resulting from a cryptojacking event.

Future Loss Avoidance: Covers the costs to improve computing and connected home devices within 60 days after discovering a cyber attack.

Our Family Plus Plan includes these additional coverages:

Data Breach: Pays for costs associated with forensic I.T. and legal reviews, notification and recovery services.

Cyber Extortion: Provides professional assistance on how to respond to a ransomware attack and reimburses approved ransom payments.

Cyber Bullying: Pays for the costs of recovering from a cyberbullying attack, including psychiatric counselling service, legal expenses, temporary relocation expenses and social media monitoring.

Now is the time to get protected and stay protected!

Many people do not know what to do when they experience a cybercrime. That's why all our plans include access to valuable loss prevention tools, services, and concierge-level claims handling that help customers recover from cyber events.
