

BOXX Cyber Security App

Keep your household safe with all-in-one digital protection

DESIGNED FOR EVERYONE, NOT JUST CYBER EXPERTS

The BOXX Cyber Security app helps you to stay protected wherever you go – with powerful security features at your fingertips. Enjoy peace of mind with secure browsing through a built-in VPN, stay safe from malicious links with a QR code scanner, and avoid risky networks with smart Wi-Fi scanning.

Best of all, you can share these protections and more with up to 10 devices – at no extra cost.

PREDICT

We protect you before a cyber attack

Safeguard your personal, sensitive and confidential information while staying one step ahead of digital threats.

PREVENT

Just as we do during an attack

Prevent digital threats with essential security tools to maintain your digital protection.

RESPOND

And we are here for you in an emergency

Get the support you need with step-by-step guidance and knowledge to manage digital threats

BACKED BY 24/7 SUPPORT

/Hackbusters

Welcome to a
safer digital world.

Here's what you get with the BOXX Cyber Security app's built-in protection:

24/7 Emergency Cyber Support

If something goes wrong online, our team of cyber experts is on call to help you respond and recover.

Identity Monitoring

Get alerts if your email or other personal details appear in data breaches, including on the Dark Web.

Secure VPN

Protect your privacy with an encrypted connection that masks your location and keeps your browsing more secure.

QR Code Scan

Scans QR codes for unsafe links before you open them, blocking malicious sites and phishing scams.

Wi-Fi Scan

Checks the safety of Wi-Fi network before you connect, helping you avoid unsecured or fake hotspots.

Digital Safety Tips

Short, easy-to-follow articles and guides to help you stay safe and confident online.

REAL PEOPLE. REAL HELP.

Sometimes bad things happen. Our Hackbusters® incident response team is here to guide you through any cyber scare with calm, expert care.

STEP-BY-STEP. STRESS-FREE.

Not every issue needs a call. Our how-to resources give you clear, direction to solve everyday cyber issues fast and easy.

PLEASE NOTE: Cyberboxx® Assist and the BOXX Cyber Security App are provided with your Cyberboxx® Business policy. You will receive log-in instructions for each platform separately from your policy documentation.
